WRIT PETITION NO : 16215 of 2007

DATED: 31-07-2007

Between:

Smt S.S.Begum PETITIONER

AND

The Managing Director
APSRTC,
Hyderabad & 2 ors RESPONDENTS

THE HON'BLE SRI JUSTICE N.V.RAMANA

WRIT PETITION NO. 16215 OF 2007

ORAL ORDER:

The petitioner, who is working as Conductor with the respondents-APSRTC, has filed this writ petition questioning the action of the respondents in not considering her case to ministerial staff in terms of her representation dated 4.6.2007.

The learned counsel for petitioner submitted that the petitioner is suffering from “Ostione Orthartis Changes” and is not in a position to attend the duties of a Conductor and Doctors advised her to attend only table work. It is further submitted that as per the advise of the Doctors, petitioner has submitted a representation dated 4.6.2007 to the second respondent requesting to transfer her to ministerial post and the same was forwarded to first respondent but till date no action is taken.

Heard the learned counsel for petitioner and learned Standing Counsel for respondent-corporation. Both counsel agreed for disposal of the writ petition at the admission stage with a direction to respondents to dispose of the representation of the petitioner expeditiously.

In the present case, petitioner seeks transfer of her services to ministerial staff on the ground of illness. The placement of the employees is an administrative function and this Court cannot interfere

with the same. However, since the relief sought for in the present writ petition is only with regard to disposal of the representation of the petitioner dated 4.6.2007 and in view of the agreed stand taken by both the counsel, without going into the merits of the matter, I deem it appropriate to dispose of the writ petition with the following direction;

The Regional Manager-second respondent is directed to consider and dispose of the representation of the petitioner dated 4.6.2007 in accordance with law, expeditiously, if not already disposed of.

With the above observation, the writ petition is disposed of.

No costs.
